

VOTE FOR PRESERVATION & PROGRESS

TOWN HALL IS NOT ADA COMPLIANT

Make the building compliant with the 1990 Americans with Disabilities Act.

“I believe that people living with disabilities do not want special treatment or special accommodations, they just want to be treated equally. Every barrier that limits access to people with disabilities creates a second citizenship. This is not treating people equally.” Chuck Southard, Topsfield Resident

RENOVATIONS WILL BRING THE TOWN HALL INTO THE 21ST CENTURY

Long overdue interior improvements will increase fire safety, upgrade wiring and improve heating & cooling efficiencies and upgrade working conditions.

COUNCIL ON AGING

Expanded facilities for the COA and seniors are included in the building plans.

ADDITION WILL PROVIDE OFFICE & MEETING SPACE

Temporary offices at the 2nd floor ‘Great Hall’ of the Town Hall will be relocated. The expansion will include office spaces for Town employees designed to efficiently interact with citizens. There will be storage & meeting spaces for volunteer boards.

TOWN HALL WILL PROVIDE ARCHIVAL STORAGE FOR RECORDS

“The existing vault is insufficient for Town records needs. New archival storage of all Town records will insure their longevity, preserve their historic value and meet state mandated permanent record requirements.”
Beverly Guarino, Town Clerk

CABLE TV & WEB SITE OPPORTUNITIES

“Through the use of technologies that are being installed in the building such as audio-video equipment, cable television & the Town Web Site, every citizen can participate in activities held at Town Hall”.
Bill Whiting, Chairperson, Cable Advisory & Town Web Committees

GREAT HALL AS COMMUNITY CENTER

With the completion of 100% ADA compliance, the Great Hall on the 2nd floor will once again become a center of local government & community life in Topsfield.

TOWN HALL AS ACTIVE CENTER OF TOWN GOVERNMENT

Completed renovations & addition will solve the Town’s present & future needs. The Town Hall will continue to be the vital & active center of Town government at its prominent location in the National Register Historic District.

OUR TOWN HALL EXTERIOR HAS BEEN RESTORED.

Completed work includes restoration or replacement of roofing, gutters, siding and trim and application of historic paint colors.

Topsfield Annual Town Meeting May 3
Elections & ballot questions May 5
